<b>Defendant.</b>	)	

The Court has received the Revised Presentence Investigation Report ("PSR") in this case. The Defendant has not objected to the PSR. The government adopted the PSR (Filing No. 49.) The Defendant filed a Sentencing Memorandum requesting a variance from the Sentencing Guidelines (Filing No. 52). See Order on Sentencing Schedule, ¶ 6 and Text Order (Filing No. 50) extending the deadline. The Court advises the parties that these Tentative Findings are issued with the understanding that, pursuant to *United States v. **IT IS ORDERED:**

2. If **any** party wishes to challenge these tentative findings, the party shall immediately file in the court file and serve upon opposing counsel and the Court a motion challenging these tentative findings, supported by (a) such evidentiary materials as are required (giving due regard to the requirements of the local rules of practice respecting the submission of evidentiary materials), (b) a brief as to the law, and (c) if an evidentiary hearing is requested, a statement describing why an evidentiary hearing is necessary and an estimated length of time for the hearing;

3. Absent submission of the information required by paragraph 2 of this Order, my tentative findings may become final;
4. The Defendant's Sentencing Memorandum (Filing No. 52) will be addressed at sentencing; and
5. Unless otherwise ordered, any motion challenging these tentative findings shall be resolved at sentencing.
